Диоген ЕАД е българска компания основана през 1996 г. в гр. Русе, която предлага широка гама от текстилни материали за шивашката индустрия. През годините дружеството разширява продуктовата си гама, като включва памучни тъкани и смеси и съответно готови продукти за хотелиерския и ресторантьорския бизнес. Диоген разполага със собствена производствена база, което позволява гъвкавост при изработването на продукция по зададени от клиента размери и специфични изисквания. Компанията разполага с офиси в България, Северна Македония и Румъния, както и добре развита търговска мрежа в Гърция, Сърбия, Босна и Херцеговина, Германия и Англия. Диоген е сертифицирана по ISO-9001 и всички продукти са в съответствие с OEKO-TEX® STANDARD 100, което гарантира тяхното качество и безвредност.

#### **EN**

## BATH LINEN

Choose wisely the quality of the towel  
because it's essential for any hotel bathroom

One of the most important parts of a hotel bathroom is the quality of the towel.

**DIOGEN's** bath towels and bathrobes are made of the finest ring spun yarns.

They are specially manufactured to withstand industrial washing  
and comply with OEKO-TEX® STANDARD 100

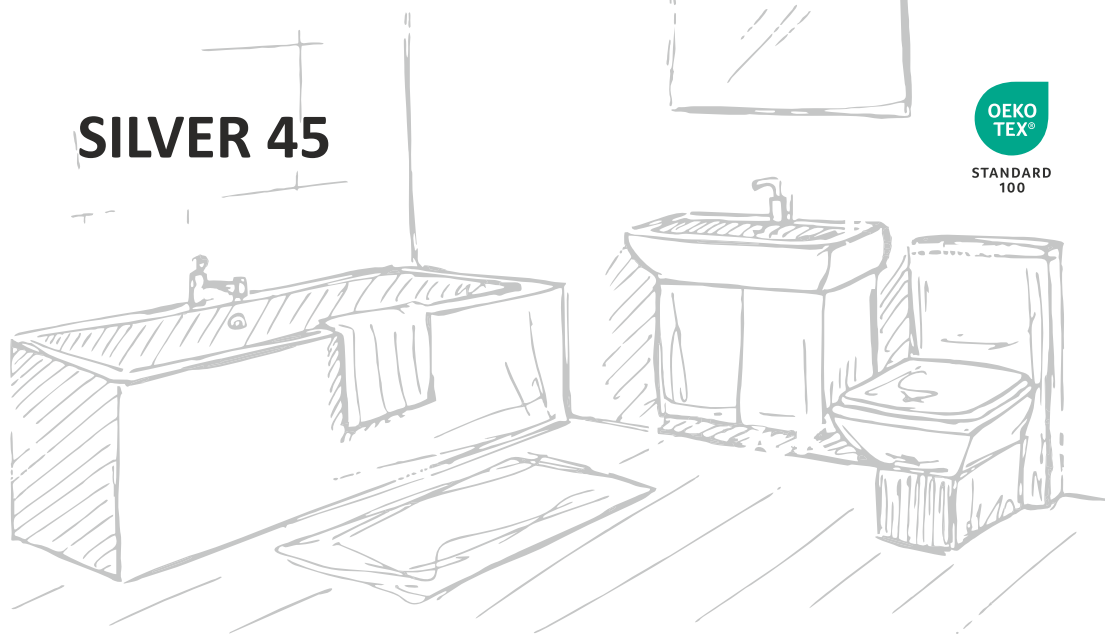

Our range of towels is manufactured from single and double loop yarns  
and covers from the smallest hand towels to large body towels.

Diogen has the ability to supply all kinds of towels up to 800 GSM  
with different types of cotton yarn and pile.

By customer's request we can produce towels with different designs,  
embroidery, jacquard weaving or heat stamping with your company name or logo.
